# All…Right Now

Music and Lyrics by Stephen Smoke

**1st Verse**

D A G
I wake up in the morning and I feel your bare leg
G D
(And your) sex scents the room
D A G
I grab a wine-soaked napkin, write something down
G D
You read it, laugh and kiss me that you *I love you too*

D A G
I see you naked, wrapped in moonlight
G D
Shadows…paint a sweet mystery
D A G
We tell the truths only lovers tell
G D
When lies fall away, it's amazing what you see

**Chorus**

Bm G
(And you whisper) It's all right, baby
D A
It's all…right now
Bm G
It's all right, honey
D A
It's all…right now
G D A
(And suddenly) It's all…right now
G D A
All…right now
G D A
All…right now
G D A
And I fall into our love
G D
(You know) It's all right
G D
It's all right
G D A
All right now

G D
I belong where I am
G D
I am with you
G D A
With you I am
G D A
Right now

**2nd Verse**

We toast each other…and we dance
And taste…from each others' glass
Lost in a moment so raw and real
Stayin' alive in a world where nothing lasts
