

(Hell is Just a) Bonfire of Broken Dreams

Words and Music by Stephen Smoke

G

They can take your money

D

They can take your car

Em

They can take your house, darlin'

C7

No matter who you are

G

D C7

G

D C7

Cause ain't nothin'... Nothin' lasts forever

G

They can take your booze

D

They can take your dope

Em

They can take your dreams

C7

They can crush your hope

G

D C7

G

D

C

Oh my darlin'... Hell is just a bonfire of broken dreams

Refrain:

D

What's the one thing that they can't take

Em

The only bone they can't break

C

D

A friend when you're alone

G

Em

A truth you've always known

C

You can't hold it in your hands

D

Em

C D

But you can hold it in your heart

D

Em

C D

You can hold it in your heart

The world is dyin'

Of disease without a cure

And people wonder why we feel

So insecure

Cause ain't nothin'...Nothin' lasts forever

They can take your lover

They can take your wife
They can teach you rote religion
Don't let 'em teach you how to live your life

Oh, my darlin'...Hell is just a bonfire...Of broken dreams
